EXPERIENCE

I have worked in the dry cargo field supporting solicitors and experts in disputes for over 10 years. I am primarily involved in dry cargo charter party disputes with assistance on time charter and voyage charter rates, calculations for multiple shipments and all associated market evaluation and research. I have extensive experience of complex quantum cases.

Currently: Director of Lewis Chartering Ltd
Broker at Normar International Shipping Ltd; broker for voyage charters with responsibility for associated operational and post-fixture work.

Previously: Research Director in market research companies (Ipsos, MORI, Synovate,) in Hong Kong and London.

First Class Honours Degree (Geography): University of Newcastle
