PROFILE

I have been a deal maker at industry leading ship-owning and broking companies for over 25 years. I have co-ordinated hundreds of asset trading and management transactions across all the major shipping sectors.

My strengths lie in passionate leadership, clear communication, and an ability to negotiate innovative solutions to the myriad complexities of maritime commercial activity.

As well as being called upon as a regular speaker at Shipping Industry conferences, I have been employed by maritime law firms as an expert witness in various high profile maritime dispute cases.

I take as much pride in representing my companies as I do my country as a Team GB age group triathlete.

EXPERIENCE

- | | |
|------------------------|---|
| 2007-present | AM Nomikos Group – Director, Sale and Purchase
Head of a pre-eminent ship-owning group's asset trading activity, leading a team executing a diverse set of newbuilding, 2nd hand demolition, time charter, M&A and finance deals with global partners. |
